

THE EXPERTS AT UNLOCKING GOVERNMENT BUSINESS

We will get you onto...

£100 MILLION SPEND CONSTRUCTION PROFESSIONAL SERVICES

Crown Commercial Service
RM6242

THE BREAKDOWN

- This framework is needed to fulfil various Government policy proposals such as the National Infrastructure Strategy, the National Health Infrastructure Plan, and the Transport Decarbonisation Plan.
- This agreement will provide a wide range of industry expert construction professional services at discreet delivery stages (from inception to completion). The services are intended to support eligible public sector bodies in delivering a wide and varied range of major and minor building, and civil engineering projects at locations throughout the UK.

THE KEY STATS

- **£100m** spend value
- **4 year** procurement
- **SME Agenda** - 1/3 all spend goes to SMEs
- **Construction market** to grow by 29% by 2025
- **Direct contact** with Public Sector buyers
- **Maximising** business potential
- **Increased scope/scale** of service offerings
- **Access** in an area where supplier may have previously been a subcontractor
