Technology Products & Associated Services 2

Quality score on all questions*

*Based on learnings from previous iteration

The Breakdown

TePAS offers Public Sector buyers a flexible and compliant way to source all of their technology product needs.

This is the second iteration of the Technology Products framework to have associated services in its scope.

Under this agreement, the UK Public Sector and their associated bodies and agencies, including the Voluntary Sector and Charities, can use this framework.

The Key Stats

-  **4 year** procurement duration
-  **£8 billion** potential spend value
-  **SME Agenda**, 50% of all spend is mandated to SMEs
-  **50% of suppliers** on the previous iteration were SMEs
-  **Call-off contracts** are available for up to 5 years
-  **Flexibility** for single supplier 'one-stop shop' awards
