# Technology Online Purchasing Content 2

## The Breakdown

To allow the Public Sector direct access to the technology services they require from compliant suppliers.

This agreement is a dynamic and easy way for suppliers to sell their products to buyers.

The framework is a separate but related part of CCS Tech Products 3 which covers low-complex products.

## The Key Stats

-  **2+2 year** procurement duration
-  **£500 million** potential spend value
-  **SME Agenda** - 50% is spent through SMEs
-  **Increased scope/scale** of service offerings
-  **Wide supply chain** for specialist services
-  **All Public Sector bodies** will have access to this framework including Healthcare, MOD, MOJ, Police etc.
