# Construction Professional Services

## The Breakdown

This framework is needed to fulfil various Government policy proposals such as the National Infrastructure Strategy, the National Health Infrastructure Plan, and the Transport Decarbonisation Plan.

This agreement will provide a wide range of industry expert construction professional services at discreet delivery stages (from inception to completion). The services are intended to support eligible public sector bodies in delivering a wide and varied range of major and minor building, and civil engineering projects at locations throughout the UK.

## The Key Stats

-  **4 year** procurement duration
-  **£100 million** spend value
-  **SME Agenda** 1/3 all spend goes to SMEs
-  **Construction market** to grow by 29% by 2025
-  **Direct contact** with Public Sector buyers
-  **Maximising** business potential
-  **Increased scope/scale** of service offerings
-  **Access** in an area where the supplier may have previously been a subcontractor
