# Facilities Management & Workplace Services DPS

## The Breakdown

The DPS offers an alternative route to market for lower value or less complex contracts and will look to attract SME suppliers. This DPS provides customers with a range of procurement solutions. It also offers a wide range of works and services for Public Sector estates, such as response repairs, supply, maintenance and installation works. This agreement has been created to allow Government and Public Sector departments to access a variety of management and workplace services.

## The Key Stats

-  **£500 million** spend value
-  **4 year** procurement with an option to extend further if needed
-  **SME Agenda** - 33% of spend must go through SMEs
-  **Accreditations/Certifications:** Cyber Essentials Basic
-  **Aims to promote social value** measures such as carbon net zero initiatives
